Encl: (4) Online social media posts b/w 2017-2019

1. I have carefully reviewed the subject preliminary inquiry conducted in accordance with reference (a) and concur with the findings, opinions, and recommendations of the investigating officer.
2. Additional online social media posts from between on or about 2017 and on or about 2019 linked to Lance Corporal LaGuardia are depicted in enclosure (4), which further substantiate his engagement and participation in knowing and wrongful conduct, to wit: dissident and protest activity (including supremacist activity), in violation of MCO 5354.1E, a lawful general order, which, if prosecuted at court-martial, would constitute, *inter alia*, a violation of Art. 92, UCMJ. "Active participation," as defined in references (b) and (e), "includes, but is not limited to, fundraising; demonstrating or rallying; recruiting, training, organizing, or leading members; *distributing material (including posting online)*; knowingly wearing gang or organization-specific colors or clothing; having tattoos or body markings or gestures associated with such gangs or organizations; or otherwise engaging in activities in furtherance of the objective of such gangs or organizations that are detrimental to good order, discipline, or mission accomplishment or are incompatible with military service." (emphasis added)
3. It is Marine Corps policy to preserve dignity and promote respect for all Marines and other Armed Forces personnel, uniformed and civilian, that are assigned to, or serving with, Marine Corps units. Dissident and protest activity (including supremacist activity), as defined in references (b) and (c), have intolerable and corrosive effects on our institution. Lance Corporal LaGuardia will receive a formal administrative counseling and will be immediately processed for administrative separation in accordance with reference (b) and paragraphs 6105, 6210.6, and 6210.9 of reference (c) as applicable.
